

## Speaker CV

### **Carla Douaihi**

**Manager Technical Purchasing, Supply Chain Management Dept  
Royal Caribbean International**

Carla Douaihi is the Global Procurement Manager for Royal Caribbean Cruises Limited. Carla leads a large, diverse and multicultural group of employees strategically located over three continents.

Her team is responsible to provide technical procurement, services and repairs for a multibranded fleet of over fifty vessels operating on a worldwide platform. On an annual basis Carla and her Team will generate over 80,000 purchase orders consisting of around 350,000 line items and representing a spend in the magnitude of USD 300M. Carla's role requires her to maintain strong relationships with both internal stakeholders and external vendors, whilst ensuring her leadership inspires all to achieve and evolve.

Originally from Venezuela, Carla has been USA based for a number of years and has significant prior experience working with Fortune 500 Companies in the manufacturing and financial Supply Chain segments. Carla is a board member of the Loyola Elementary School in Miami and she is known for years of missionary work across the world.
