

## Speaker CV

### **Elisabetta de Nardo**

#### **Global Head of Port Operations & Destination Management Classic Silversea Cruises**

Elisabetta de Nardo has a University degree in Shipping & Maritime Economics and a Master in Cargo Marine Surveying (London).

After a few years working in cargo shipping, with oil tankers and dry bulk carriers (becoming Director of Operations in 2004), she joined Carnival Group in 2007, as Port Operations Manager for Costa Crociere.

After a growth in her career path (through Head of Port Operations, to Director Port Operations & Development), Elisabetta joined Silversea Cruises in June 2014.

As Director Port & Destinations Operations, together with her team, she daily faces the fascinating operational challenges of the hundreds of marvellous destinations visited by Silversea luxury cruise ships, including managing bunker supplies for the ships.

Starting from January 2017 Elisabetta has been appointed as Chairman of CLIA Europe Port & Destination sub-committee.
