

## Speaker CV

**Kristijan Pavić**  
**President**  
**MedCruise**

Mr. Kristijan Pavić is the President of MedCruise, President of the Port of Dubrovnik. Since August he is also the CEO of the Adriatic Croatia International Club.

His professional development has so far brought him a variety of experiences within the cruise industry. Following graduation in maritime sciences (Split University), he worked as cruise company employee on board ship. In 2006-2010 he became the General Manager of County Dubrovnik Port Authority.

He has been professionally active in cruise destination management, the enhancement of the cooperation between ports and cities, as well as in the development of partner relations between cruise market stakeholders, in the Adriatic Region and beyond.
