Marios Polydorou

**Director, Business Development & Travel Experience Centre
Celestyal Cruises**

Marios Polydorou is Director, Business Development & Travel Experiences Centre at Celestyal Cruises and based at the Athens Head Quarters. He has a key role in increasing sales and contributing to the growth of the Celestyal brand globally.

At the same time he leads all shore activities for the company's vessels and ensures that Celestyal's guests live true authentic experiences ashore. He has been at the company for over 20 years and comes with an extensive international experience in cruising, having been company representative in many destinations including the Balearic and Canary Islands, Malaga, Nice, Malta, Corfu, Cyprus, Sharm El Sheikh, Barbados and Santo Domingo. He is actively involved in the development of several future projects.

Marios was born in the UK and studied at the University of Surrey where he obtained an MSc in International Hotel Management. When he is not working he enjoys travelling and tries to visit at least one new destination per year.
