

Speaker CV

Oscar Siches

ISO Yacht Harbour Expert

Marina Consultant

Member of Icomia

With navy school background and as offshore racing and cruising yachtsman, Oscar Siches has broad experience in the boating industry having skippered sail and power yachts in the Med and the Caribbean, both for private and charter clients.

Partner and manager during 15 years of two marinas in Mallorca, Oscar is consultant for design and operation of marina projects in various countries, and designer of customized marina elements.

He is a Certified Marina Manger and Certified Marina Professional, member of ICOMIA's Marinas Committee, PIANC Recreational Navigation Committee, Spanish expert in yacht harbours at the ISO organization and founding member of the Global Marina Institute, where he served 6 years as director.

In the last 12 years Oscar has been speaker at more than 25 marina conferences in 12 countries. He is one of the main contributors to Marina World magazine.
